EXPERIENCE

K.P.L.C, Eldoret — *attache*

January 2021 - April 2021

Did my first attachment at the ICT department of Kenya Power and Lighting Company (K.P.L.C) north rift region main offices where I learnt and put to practice my computer networking and maintenance skills. I also developed customer relation skills here.

The Eldoret National Polytechnic, Eldoret — *comp lab tech-attache*

MARCH 2022 - JUNE 2022

Attended my second industrial attachment at the polytechnic. Here, I leveraged my computing skills in assisting in cctv installations and network troubleshooting.

EDUCATION

Meru University of Science and Technology, Meru — *Bsc. Computer Security and Forensics*

September 2018 - December 2022

Trained and tested my skills in cyber security. Digital forensics being my favorite course in the university, I am enthusiastic in learning and updating my computer and mobile forensics skills among other related cyber security branches.

Chewoyet High School, West Pokot — High School certificate (*KCSE*)

February 2014 - December 2017

Completed my secondary education.

Was team leader of computing students under the computer studies club.

SKILLS

Microsoft packages
Computer networking.
Ethical hacking.
Digital forensics investigation.
Linux system administration..

AWARDS

Aside from computing world, I am a basketball player with several championship awards;
